## Questions people ask...

### Who are the Christadelphians?

A group of people who believe in the Bible's claim to be the Word of God and base their beliefs and lives on what it teaches. With every request for information, we will send a copy of the booklet 'Who are the Christadelphians?' which provides a more in-depth explanation of our beliefs. Also a copy of The Bible Reading Planner will be included.

### Do they have a hidden agenda?

No. We want people to consider the Bible message for themselves. We believe the Bible offers a real choice between life and death and we want people to make their own decision.
